Dear Brothers and Sisters in Christ,

'OUR DREAM' HEADQUARTER BUILDING PROJECT
PADEMBA ROAD, FREETOWN

Our dream to build a headquarter building that will help in the day to day smooth running of the mission and also be income generating for the A.M.E. Church in Sierra Leone is still alive and continue to be our desire and focus. Two accounts were opened at the Rokel Commercial Bank, Siaka Stevens Street in Freetown some years back for both foreign and local currencies.

We have tried with the help of God to raise funds locally for this venture and the amounts available as at 1st of April 2005 were as follows:

Balance in foreign Account No. 1735612 is US\$2,950.25

Balance in Local Account No. 6020042 is Le36, 220,590.00

(Total amount equivalent to about US\$15,000)

Thirty Million Leones was taken from the balance of the local account and invested in treasury bearer bonds, which will mature in April 2006 at an interest rate of 20%.

The original cost estimate for the entire project was US\$511,656.00. However, the project has been phased out and the first phase included the building carcass plus the completion of the basement and ground floors, costing US\$126,605.

As you can see, we have a long way yet to go but nothing is impossible with God. We continue to trust in the Lord as we go forward in faith to make Our Dream come true. We ask kindly soliciting funds. Donations are welcome and could be made directly to any of the two accounts below:
