

# Connectional Lay Organization Zambia, Durban & Swaziland Summit

December 6-15, 2011

Dear Members:

What excitement it is to announce our second historic African Summit and Executive Board meeting in Zambia.

Zambia, often described by many as "the Real Africa", Zambia is a country rich with vast lakes, rich wetlands and breathtaking African sunsets which contribute to Zambia's scenic splendor. Home of the Victoria Falls and many other magnificent waterfalls, spectacular wildlife, superb safaris, great adventures, rich culture and friendly people.

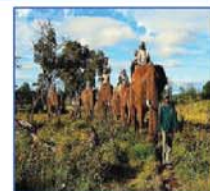

Durban's is located on South Africa's east coast and boasts of sweeping golden beaches entirely justifying the city's status as one of Africa's major resorts. For the visitor, South Africa's second most populated city offering a colorful range of cultural experiences to compliment its balmy Indian Ocean climate and attractive seafront.

Swaziland is snuggled between Mozambique and South Africa. Swaziland is the smallest country in the southern hemisphere, and at seventeen thousand sq km, it is and is home to just over one million people. Largely free of the racial tensions of its large neighbor, and ingrained with a strong sense of national pride, the country is emblazoned with a rich cultural heritage. The country's protected nature reserves and parks are characterized by some of the most beautiful landscapes in southern Africa. **Note:** A passport is required for Durban and Swaziland. A visa is required for Zambia. The cost for a single entrance visa is \$50.00.

This trip is in conjunction with the CLO celebrating its centennial anniversary.

In 2007 the Executive Board of the Connectional Lay Organization voted to return to the motherland to hold an Executive Board meeting and Summit to interact with fellow laypersons in Districts 14, 15, 17, 18, 19 and 20.

This trip promises to be one of spiritual uplift, meaningful deliberations in experiencing the various cultures of the countries including tours to Swaziland and the seaport city of Durban.

I am most excited to visit one of the orphanages and spend time with the children. We will also be provided a list of things they need at the orphanage.

Join us as Xodus International Group once again serves as our tour operator on this second historic meeting of our global organization on the continent of Africa and hear those thrilling words of "Welcome home!" God bless our efforts as we live His word - In all thy ways acknowledge Him and He will direct your path.
