Connectional Day of Prayer: April 13, 2013

Again on April 13, 2013, we will observe “CONNECTIONAL DAY OF PRAYER” in African Methodism. Since 2008 when the Council of Bishops approved an annual prayer day observance, we have been pausing throughout our Zion on **April 13th for Connectional Day of Prayer**. The theme for this year’s Connectional Day of Prayer is: **“Discipleship for Radical Transformation”**. You are encouraged to begin preparing now to participate during the 24 hours of prayer in our Zion. We look forward to participation at every level of our Church: Episcopal District, Annual Conference, Presiding Elder District, and the Local Church. We welcome the involvement of the Women’s Missionary Society, Women in Ministry, Men’s Ministries, Lay Organizations, Sons of Allen, and all other components and ministries in African Methodism. There is much both clergy and laity can do to help make this Connectional Day of Prayer meaningful and impacting in the life of our Church. Here is your opportunity to be innovative; to think outside of the box concerning Prayer Crusades, Park or Tent Revivals, or perhaps taking toiletries and a brown bag lunch to the homeless. Get your fasting and praying started today so that there will be a harvest for the Kingdom building of God on April 13, 2013.

Everyone is invited to join the District Prayer Coordinators and Prayer Warriors throughout the Church as we prepare for our 2013 Connectional Day of Prayer. We need everyone praying on April 13, 2013. Let us pray for greater unity, love, repentance, forgiveness, and the rebuilding of our families around the world.
