THE Vision
Evangelism...feel it!
Education...see it!
Economic Empowerment...live it!

“Brighter Future”
“It is no secret what God can do”

David Rwhynica Daniels, Jr.
PRESIDING BISHOP

Supervisor Mother
Dr. Irene Moifo Daniels
EPISCOPAL SUPERVISOR
It is unbelievable to think that we are about to enter our second year in the 15th Episcopal District. It has been an exciting first year. The people of the 15th have given us reasons to continue celebrating the goodness of God. They are wonderful, dedicated and hardworking people who love the Lord and African Methodism. Thank you, precious people of the 15th for given us unprecedented support, cooperation and encouragement since our arrival. Frankly, you are the BEST in all of African Methodism.

We arrived six years ago believing that the people of the 15th were destined for greatness because you are great people of God created with divine purpose. You have not stopped showering us with love, respect and unparalleled reasons to get excited about working as your servant leaders. Supervisor Mother Irene Moifoi Daniels and I are praying for God to bless us with spirit-filled fruitful Annual Conferences this year as well.

We praised God that you have embraced the 3 E’s which define our ministry and Episcopacy.

Evangelism – Feel It – Our focus this year is on “The Great Commission”, Anvil theme. Our middle management team has welcomed our theme: “Vision 15th/15th”. We are praying, planning and working for God to double our membership and stewardship in 15 years. We, the District Leadership want each Presiding Elder to plant at least one new church per year in his Presiding Elder’s District. We are encouraging every church to make “seeking to save souls” a top priority. We are intentionally providing opportunities for our people to sit under good sound teaching. The Lord has blessed us to bring in preachers and teachers to teach and preach to our people during all or annual conferences and meetings.

Education – See It – We are in the developing stage of organizing a seminary for the 15th Episcopal District. I have commissioned Rev. Dr. Albert D. Tyson, III to work with Payne Theological Seminary and he has made the proper connection with the Rev. Dr. Michael J. Brown, President of PTS. Reverends Willem Burger, Keith Links and Quinton Liebenberg flew to the United States out of their own resources to work with Dr. Brown and his staff in finalizing the Memorandum of Understanding, (MOU). I flew to Dayton, Ohio, where Payne Theological Seminary is located to be with them in the dialogue and discussions. These brothers deserved our high commendations for their commitment to our theological educational priorities. We are prioritizing and encouraging our local churches to establish schools. We are encouraging existing schools to expand.

Economic Empowerment – Live It – We have organized ourselves to invest in the building of Student residence as a viable economic project for the 15th Episcopal District. When this Vision is actualized, it will create and generate needed funding for building new churches, new schools and funding the establishment of new congregations in new communities across the District. We praise God for the willingness of the wonderful people of the 15th Episcopal District to raise our own connectional budget each year. We are thankful to God for enabling the 15th Episcopal District, the “Can Do Attitude People’s Team”, to be committed to economic development for self-sustainability. In addition, we are appreciative to all our people for seeing the need to assist in raising money for the tremendous legal debt we inherited. To God be the Glory!

Supervisor Mother Irene M. Daniels and I thank you for your commitment to exploring and finding sustainable initiative for economic development and investment for our future. The Fifteenth has caught the “Vision to Not Eat the Seed” but plant and invest for the future harvest.

God bless you all. Yours in His Service
David Rhythynica Daniels, Jr. & Supervisor Mother Dr. Irene Moifoi Daniels
